

Title 2017 Fundraising for 2018 Year 6 Camp

Monday, 19 June 2017

WATERLOO SCHOOL CAMP 2018

The Year 6 camp for next year is going to be held from **19 – 22 March 2018**.

Unfortunately, due to the ongoing issues with being unable to use the main lake at Forest Lakes, we have decided to change camp venues. We have investigated a number of options and have made the decision that the 2018 camp will be held at El Rancho in Waikanae and all Year 6 students will attend.

The price for students to attend camp in 2018 has not yet been confirmed but it does look as though it will be around \$270.00.

The students leave school on Monday morning and return on Thursday afternoon. The \$270.00(approx) covers accommodation, all of their substantial meals for the week, all nine set activities, all leisure activities and the equipment and instructor hire.

Last year a group of parents got together to form a 'fundraising committee'. With their hard work and determination, they managed to get the camp cost reduced by \$60.00 per student. This was awesome. The only way this can work however is to have a group of at least six parents who are willing to co-ordinate the fundraising and to help drive it.

If you think you may be interested in participating in the fundraising group, please complete the information below.

If people are interested, we will hold a meeting in the last week of term 2.

Thank you.

Jen Roberts
Deputy Principal
Years 4-6
